

Press Release

DB Schenker named new Hamburg Messe logistics partner

Hamburg, 7 April 2025 – Hamburg Messe und Congress GmbH has chosen a new partner for logistics services. As of July 2025, DB Schenker, a world-leading logistics company, will be HMC's exclusive partner for all logistical processes on HMC premises and at the CCH – Congress Center Hamburg.

In response to HMC's request for proposals, DB Schenker submitted a compelling innovative concept which not only included a comprehensive set of logistical services but also excelled in the areas of digitalisation, reduction of on-site traffic, and sustainability.

"We are more than pleased to have won DB Schenker as a partner, and are convinced that together we will succeed in steadily developing the trade fair and congress logistics processes while generating benefits for our customers, the people in our neighbourhood, and the environment," said Steven Eckert, Director Production & Operations at HMC.

"Being appointed as exclusive logistics partner of Hamburg Messe und Congress is a great success. It confirms that we are moving into the right direction, and it strengthens our market leadership in trade fair logistics," said Matthias Dornscheidt, VP Global Fairs, Events and Special Logistics.

Ralf Hermanns, Area Manager Nord, Fairs, Events and Special Logistics at Schenker Deutschland AG, commented: "We are excited to add this important trade fair location to our portfolio and offer our high-quality and innovative logistical services to our customers in Hamburg, as well."
